Dear Clay,

It is with great appreciation that I send you this letter of thanks. Beginning in January 2010, when we signed the lease for our new store location, until your company turned the keys over to us in March 2010, I was somewhat apprehensive about moving our business to a new location after 39 years in one spot. Without a doubt, your company and employees put all my fears to rest. If I had a question or wanted to add or delete anything from the new facility it was always "If we can do it, it will be done."

Your entire staff, from secretaries to landscapers made us feel like family and sincerely cared about all of us. Let me add that two of your employees, Mr. Chris Ezell

and Mr. Gody Fields, are the finest of professionals I've ever had a chance to deal with. I feel very fortunate to have worked with them on a daily basis and now have developed a friendship that I hope will last a lifetime.

Our new store is far beyond our expectations. The building and landscaping are beautiful and it's very obvious you spared no expense and cut no corners. I will highly recommend to anyone that is a potential leasee or would like to have a new facility built that Powers, LLC be their #1 choice.

Thank you again for all the time and hard work you put in on our new location.

Sincerely,  
Eunie Brigg, Owner

P.S. - Let me add that business is excellent since we reopened.
